Foundation for the Promotion of Entrepreneurial Initiatives (FPEI)

The Foundation for the Promotion of Entrepreneurial Initiatives (FPEI) is a private not-for-profit foundation set up by the *Malta Business Bureau (MBB)* and the *University of Malta*, with the aim of promoting and supporting entrepreneurship. FPEI encourages all forms of entrepreneurship, from high tech, high growth ventures to social enterprises. FPEI aims to collaborate with other local and international partners to establish new initiatives and provide tools that will help promote entrepreneurship in Malta.
